842. **TO RECEIVE AND NOTE RESPONSES TO THE PUBLIC BUDGET CONSULTATION 2021/22**

Members received comments received in respect of the 2021/22 Draft Budget Consultation.

Members felt it would be useful for the Cemetery Approach Community Centre costs to be outlined for clarity to members of the public as there had been a number of queries.

There was some confusion as under the salaries headings of this budget, the Gardener post for Cemetery Approach Gardens had not previously been accounted for in this budget line, which therefore at first glance looked like a large increase in costs. The salary costs are for the Gardener position and the Caretaker position (to be recruited to). Costs for operating the Community Centre itself for 2021-2022 are budgeted for total expenditure of £9,893. This includes identified costs such as Personal Hygiene facilities, cleaning, PPE, Alarm Line, Covid-19 costs, Water, Council tax rates, Electricity, Broadband, Equipment, Property Maintenance. There has been no income as the Community Centre is yet to open but the Council anticipates this will increase as Covid-19 restrictions ease and the Centre can be fully utilised.

Members agreed that it was important that all comments be acknowledged and that members of the public who responded to the consultation be individually thanked for submitting their thoughts. The Chief Officer noted that acknowledgements had been made and that all those who responded would be contacted with the outcome of the Council's Budget resolution following the meeting.

**RESOLVED that the report be received and noted.**

843.

**TO AGREE THE COUNCIL'S BUDGET FOR 2021/22**

Members were asked to consider the Town Council's draft budget for 2021/22 following public consultation from 21 December 2020 to 31 January 2021 and to determine the precept to be levied on the Vale of Glamorgan Council.

Councillor Brooks noted that there had been a lot of movement on the 2020/21 budget and felt it had been the right course of action to spend money from reserves to support local businesses via the introduction of the the new Covid-19 Recovery Fund which was well received. She felt that this had helped to give confidence to the local community and improve support for the Council.

Councillor Brooks proposed the following amendments to the draft budget –

Addition of £15,000 expenditure budget for Sustainable Barry to deliver the Council's commitments.

An additional £20,000 expenditure for Grants – thereby creating a new total of £65,000 to be broken down as:

- Remove Books for Schools (previous year was £10,000)

- Remove Business Grants (previous year was £3,000)
- Green grants budget to increase to £4,000
- Reduce Christmas meals budget to £2,000
- Reduce Community grants for voluntary groups to £15,000
- Addition of a Covid-19 Recovery Fund grant budget of £44,000

Councillor Brooks emphasised that changes to these grants budgets would be for the 2021/22 financial year only.

She noted that these revisions would result in a revised net expenditure budget of £1,270,686. Councillor Brooks suggested that £39,000 could be taken from General Reserves as this was now higher than had been projected at the meeting of Full Council 8 December 2020 as year-end costs were more accurately predictable at this point in the year.

These revisions would result in a precept requirement of £1,231,686 – this would be £59.60 per Band D tax payer being an increase of 1.98% when compared to £58.44 paid for 2020/21.

Councillor Lloyd-Selby seconded the proposals put forward by Councillor Brooks. Members noted that they would support this proposal as they did not wish to see the precept increase any more than necessary.

Councillor Hodges stated she was happy to support these proposals and would encourage dialogue between Groups to reach consensus prior to the proposals being put forward.

A vote was taken, of which the decision was unanimously in favour of supporting the Leader's proposal.

**RESOLVED:**

1. That the amendments proposed by Councillor Brooks be made to the Draft Budget 2021/22.
2. That a precept of £1,231,686 be levied on the Vale of Glamorgan Council for the 2021/22 year, equating to £59.60 per Band 'D' Council tax payer, being an increase of 1.98% compared to £58.44 for 2020/21.

844.

**TO RECEIVE AND REVIEW THE COUNCIL'S RESPONSE AND ACTIONS TO MINIMISE THE RISK OF EXPOSURE TO COVID-19 IN THE WORKPLACE**

Members received the Council's response and actions to minimise the risk of exposure to Covid-19 in the workplace.

The Chief Officer advised that an external Health and Safety audit would be undertaken in March to ensure that the Council was operating safely and within the legislative and Covid-19 Safe framework.

Members wished to thank staff for their work through this difficult year. Members also agreed it would be helpful to publish the report on social media in order to increase the public's confidence in using the Council's facilities when it was permitted and the measures that the Council has put in place to minimise risk.

Members received the Council's Draft Climate Change Strategy for consideration. Councillor Clarke advised that a lot of work had gone in to preparing this strategy, thanking staff for their efforts, and that this would be a working document which would evolve as work progresses.

Councillor Lloyd-Selby noted that it would be useful to see the cost implications of the activities outlined in the strategy and asked that the Group consider the detailed costs of the strategy given the new £15,000 approved at the prior Budget item. It was agreed that after public consultation, comments would be considered and that more detailed costings would be discussed and put forward to the Finance Policy and General Purposes Committee.

**RESOLVED:**

1. That the Council's Climate Change Strategy be approved for a period of public consultation.
2. That the Council's Climate Change Strategy costings and financial plan be reviewed by the Sustainable Barry Working Group following the consultation period.
