The Engagement & Events Team Manager met with Menter Iaith Bro Morgannwg who organise Gwyl Fach Y Fro. They wish to keep the festival as free for all to attend but to do this they must rely on sponsors and partners to help meet the rising costs of the event.

| | |
|---------------------------------|--------|
| 1. Main Event Sponsor | £5,000 |

Barry Town Council will have space for a gazebo at the festival, to allow officers and Councillors to undertake activities and engagement with attendees.

GRANT FUNDING FOR BARRY PRIDE 2025

Barry Pride has recently announced that their 2025 event will take place on King Square and in Central Park on Saturday 14 June 2025.

The most recent round of grant applications closed on 31 December 2024, and the next round of applications will open in May 2025 with applications unlikely to be considered before 14 June 2025. Therefore, the Engagement & Events team manager contacted the organisers of Barry Pride to find out whether they would be requesting funding for their 2025 event.

Subsequently, the organisers have submitted a completed grant application for £8,060, which is 52% of the total event costs of £15,460.

In 2024, we provided funding of £3,200 (23% of the total cost) to the organisation for their 2024 event, following a grant application request for £13,144.

Councillor Brooks commented on how disappointing it is that we had to approach Barry Pride. If we did decide on funding what role would the Mayor have at the event as there was no mention within the grant application.

Councillor S Hodges has no problem with funding but is disappointed with the fees for the Road Closures. If the fee for Road Closures was taken out then it would be similar to 2024.

Councillor Brooks proposed awarding £3,200 which is for Stage, Generator, Sound, Lighting and MC providing Barry Town Council get some kind of recognition.

Councillor Johnson asked what had already been allocated if any.

The Acting Chief Officer confirmed that the suggestion would be for the grant to be allocated either from the 2025/26 Corporate Grants/Arts, Culture and Entertainment budget of £20,000, with £5,000 already allocated for Gwyl Fach Y Fro, or from the 2025/26 Corporate Grants/Voluntary & Community Organisations budget of £15,000 with nothing allocated to date.

RESOLVED:

- 1. That members agree to award Barry Pride £3,200 which is for Stage, Generator, Sound, Lighting and MC, under the General Power of Competence, Section 24 of the local Government and Elections (Wales) Act 2021, from the 2025/26 Corporate Grants/ Arts, Culture and Entertainment budget expenditure heading.**

TO APPROVE THE DRAFT BUDGET 2025-26 AND DETERMINE THE PRECEPT TO BE LEVIED ON THE VALE OF GLAMORGAN COUNCIL FOR 2025-26

Members were provided with the draft budget for 2025-26 following public consultation and to determine the precept to be levied on the Vale of Glamorgan.

At the meeting of Full Council held on 9 December 2024, members approved the Draft Budget 2025/26 for public consultation that provisionally set a precept requirement of £1,361,865 being a cash increase of 5%.

The Acting Chief Officer stated that he had adjusted the salaries figure for Cemeteries, after the Voluntary Redundancies, but no other amendments were made.

Notification from the Vale of Glamorgan Council stating that the tax base for Barry for 2025/26 is 21,434, an increase on the current tax base of 21,193.

Councillor Brooks stated that before they approve the precept she would like to make some adjustments:

Income adjustments:

Merthyr Dyfan Cemetery:

| | |
|---------------------------------------|---------------------|
| Interment Fees: | Increase to £54,000 |
| Exclusive Right of Burial | Increase to £20,000 |
| Memorial Fees | Reduce to £18,000 |
| Chapel Hire | Reduce to £480.00 |
| Transfer of Exclusive Right of Burial | Reduce to £2,700 |

Porthkerry Cemetery:

| | |
|---------------|--------------------|
| Memorial Fees | Increase to £1,200 |
|---------------|--------------------|

Pioneer Hall

| | |
|----------|---------------------|
| Lettings | Increase to £14,000 |
|----------|---------------------|

Cemetery Approach Community Centre

| | |
|----------|---------------------|
| Lettings | Increase to £18,000 |
|----------|---------------------|

Expenditure adjustments:

Merthyr Dyfan Cemetery:

| | |
|--------------------------------------|------------------|
| Haulage & Fuel | Reduce to £6,000 |
| Memorial Inscription Maintenance | Reduce to £5,000 |
| Cemetery Approach Garden Maintenance | Reduce to £3,000 |

Cemetery Approach Community Centre

| | |
|-------------|------------------|
| Electricity | Reduce to £3,000 |
|-------------|------------------|

The above adjustments resulted in a precept requirement of £1,357,630 which equates to a 3.5% increase to a Band D tax payer when compared to 2024/25, with an amount of £6,769 to be transferred into the general reserve.

Councillor N Hodges stated that he appreciates that the budget isn't set yet but he has concerns that Porthkerry Cemetery is now full.

The Acting Chief Officer agreed that Porthkerry Cemetery is now full for new burials with only space for new cremated remains plot, hence the income from burials will reduce however we continue to receive requests to reopen existing graves and new C/R plots.

Councillor N Hodges advised that he had attended Merthyr Dyfan Cemetery with the Facilities & Bereavement Services Manager. He found the Chapel in excellent condition but we need to promote its availability for funerals and to consider other income generating ideas.

However, opening the Chapel to external groups may not be such a good idea, especially in the winter months as its too dark outside the Chapel.

Councillor N Hodges also said that we need to consider an extension to the building that is currently the cemetery staff's mess room and we need to consider this in capital spend in the coming years.

Councillor Johnson in anticipation of where our expenditure will be, do we have enough in reserves in case anything goes wrong. The money going out of the acquisition fund and into the general reserve's funds, how much are we budgeting for an overspend next year.

The Acting Chief Officer said the proposed precept is £1,357,630 with £55,000 suggested from the acquisition fund.

Councillor Johnson said if any money is not spent, members can choose to amend the budget during the year.

Councillor Brooks stated that its been a long time since we last reviewed the budget and measures are in place to protect acquisition.

It was suggested that officers further investigate the budgeted expenditure for 2025/26 to establish if the levels are realistic and members to review during the first quarter of the new financial year.

Councillor ES Goodjohn agreed with the discussion commenting that the budget is reasonable and to change the budget lines now may not be the right time. The reserves need protecting so that it's responsible and reasonable.

Councillor S Hodges said that roles are changing. The Vale of Glamorgan are also changing. We need to chase grant money. The Vale of Glamorgan attract big grant money.

The Vale is under pressure with financing and services and further down the line we need a discussion as times are changing. We are good at getting money out but not so good at getting money in.

Councillor N Hodges said its 6-7 weeks now till the end of the financial year. There could be an opportunity to save numbers in the early summer.

RESOLVED: that the draft budget for 2025/26 be agreed subject to the amendments made by the Leader, that sets a precept requirement of £1,357,630 to be levied on the Vale of Glamorgan Council, being an increase to a Band D tax payer of 3.5% compared to 2024/25.

545. **TO NOMINATE THE MAYOR ELECT FOR THE COUNCIL YEAR 2025/26**
